## Day by Day Itinerary

**Monday, April 4 – CHICAGO / EN ROUTE (I)**  
We depart Chicago's O'Hare International Airport this evening by scheduled service of TAP Air Portugal on the overnight transatlantic flight to Lisbon, Portugal.

**Tuesday, April 5 – LISBON (I,D)**  
Late this morning we arrive in Portugal where we'll meet our Tour Guide who will introduce us to the city of Lisbon. Built on seven hills, the attraction of the Portuguese capital lies in the deep shade of its many tree-lined streets and squares, and the magnificent vistas along its wide avenues. After checking in at our downtown hotel the remainder of the day is at leisure. This afternoon be sure to stroll Baixa, the most central and renowned neighborhood in Lisbon, housing the capital's most emblematic streets and squares, namely the attractively paved Rossio, a social focal point with cafes, the tree lined Praca dos Restauradores, and the lively pedestrian Rua das Portas de Santo Antao.

**Wednesday, April 6 – LISBON (B)**  
This morning an introductory tour of Lisbon will take us along the banks of the Tagus River where we'll stop to view both the Monument to the Discoveries, built to mark the 500th anniversary of the death of Henry the Navigator, and the Torre de Belem. We'll visit the magnificent Mosteiro dos Jeronimos. Built in the 1500s this great monument to the Age of Discovery is one of Lisbon's must-see marvels. Afterward, we'll travel along the grand Avenida Liberdade, the broad tree-lined avenue that is Lisbon's fashionable main thoroughfare, as we make our way to the Alfama District. Here we'll peer into Lisbon's Moorish past as we explore a colorful maze of winding cobblestone streets little changed since the 12th century. Our tour will come to an end at the Portas do Sol for a marvelous view of the city.

**Thursday, April 7 – LISBON (Sintra & Caiscas) (B,L)**  
This morning we travel towards the peaks of the Serra de Sintra to visit the spectacular Palacio da Pena. The palace's history started in the Middle Ages when a chapel dedicated to Our Lady of Pena was built after an apparition sighting of the Virgin Mary. The most complete and notable example of Portuguese architecture in the Romantic period, the palace is a fanciful combination of architectural styles – Moorish, Gothic, Baroque and Manueline. Following our visit, we'll travel to Cabo da Roca, the westernmost point of continental Europe to view the enormous cliffs that stand like a stage over the edge of the Atlantic Ocean. Then we'll travel south along the amazing coastline to the town of Cascais. Initially a small fishing village, Cascais eventually became home to the summer residences of the wealthy Lisboetas during the 19th century. Here, we'll enjoy an afternoon luncheon in a beautiful location with breath-taking views over the Atlantic Ocean.

**Friday, April 8 – LISBON / CRUISING (B,D)**  
This morning we depart Lisbon and travel north to Fatima to visit the Shrine of Our Lady of Fatima, one of the most famous Marian shrines in the world, commemorating the 1917 visitation of the Virgin Mary to three young shepherds. Some four million people visit Fatima each year to pay their respects at the basilica, constructed in 1928 to commemorate the site of the miraculous appearance. This afternoon we travel through the Beiras

regions, defined by the Tagus River in the South, and the Douro River to the North. Our destination is the historic city of Porto, strategically sited overlooking the Douro River as it empties into the Atlantic. Late this afternoon we'll embark aboard Riviera River Cruises *MS Douro Elegance*. In no time at all, we'll be settled into our luxurious accommodations and have an opportunity to familiarize ourselves with all the first-class aspects of this floating boutique hotel.

**Saturday, April 9 – CRUISING (Pinhão) (B,L,D)**  
As dawn breaks over Porto our adventure begins as we get set to explore what is possibly Europe's most undiscovered river through the stunning Douro Valley, dotted with charming villages, age-old traditions, and wonderful wines. After breakfast, head up on deck to appreciate the changing landscape in all its splendor. This afternoon we'll arrive in the pretty little town of Pinhão, surrounded by the hillsides and terraces where one of the world's best wines is made. Here we'll enjoy a visit to a local historic quinta to learn all about the stages of wine production, from the planting of the vines, harvesting, the wine-making process and finally tasting and labeling.

**Sunday, April 10 – CRUISING (Vega de Terron) (B,L,D)**  
The Douro was once a wild river, notoriously challenging to navigate. Today it has been tamed by a system of dams and locks, which have raised the water level, and the river here is at its most gentle, as we cruise into ever more rural territory towards the Spanish border. This afternoon's port of call is the peaceful town of Vega de Terron, Spain. From here, we'll travel to the delightful 12th century walled village of Castelo Rodrigo, tucked away in the picturesque highland ranges bordering Spain. From this lofty hilltop position, the views are simply stunning. In Castelo Rodrigo, we'll have the opportunity to make a true journey through the history of humanity. The region is rich in remains of the Paleolithic and Roman era, and the village was the scene of intense struggles, conquests, and reconquest, which is still visible today in its structures. Its church, dedicated to Our Lady of Rocamadour, was a resting place on the pilgrimage route to Santiago de Compostela, and it is said that Saint Francis himself stayed here.

**Monday, April 11 – CRUISING (Barca d'Alva) (B,L,D)**  
Today we travel to historic Salamanca, regarded by many Spaniards as their nation's most beautiful city. Founded by the Romans, Salamanca is built from local sandstone that emanates a gorgeous rose-colored glow in the sunlight. As we'll soon find out, Salamanca is exceptionally beautiful and has many architectural treasures. We'll see the New Cathedral in Gothic Style, the Old Cathedral in Romanesque Style, and the Renaissance University Building with its splendid facade. Founded in 1218, the university is the oldest in Spain and was one of the civilized world's most important seats of study for over 400 years. The Spanish Inquisition records are kept here, and as early as the 16th century it boasted some 12,000 students. At lunch, we'll enjoy a traditional Flamenco show. More than just a dance, Flamenco is a forceful artistic expression of the sorrows and joys of life. Afterward, free time will be set aside to explore the Plaza Mayor. Possibly Spain's finest public square, it was built in the 18th century in Spanish Baroque style with colonnaded walkways.

**Tuesday, April 12 – CRUISING (Peso da Régua) (B,L,D)**

One of the benefits of life aboard a river cruise is the sheer sense of relaxation it brings. Enjoy the morning at leisure in the on-board spa, or simply watch the riverbank scenery passing by from the comfort of a cozy seat in the lounge. This afternoon we arrive in the small port town of Peso da Régua, from where we'll travel to Vila Real to visit the grounds of the splendid Mateus Palace. Built in the first half of the 18th century, the palace is set among beautiful gardens on a vast farm, considered to be one of the finest examples of baroque civil architecture in Portugal. The palace is owned by the Mateus Foundation, which sponsors a number of cultural activities, particularly in the areas of music, literature, sculpture, and ceramics. This sweeping baroque property houses a maze of manicured hedgerows, elegant parterres, and a lake that reflects the palace in its mirror-still surface. Tonight, we'll enjoy an evening dinner at the 126-acre Quinta da Pacheca with a spectacular view over the Douro landscape.

**Wednesday, April 13 – CRUISING (Peso da Régua) (B,L,D)**

This morning we travel to the charming town of Lamego, nestled among the terraced slopes of the Douro Valley, home of Portugal's sparkling Rapseira wine. Located atop the hill overlooking the town is the ancient Sanctuary of Our Lady of Remedies. The church is reached via an awe-inspiring double stairway, adorned with attractive azulejos. Individuals who choose to make the 686-step journey to the Patio dos Reis will be rewarded with a spectacular view of the town. Following our tour, we'll return to the ship as we cruise towards Entre-os-Rios, an opportunity to head up to the Sun Deck to enjoy the ever-changing kaleidoscope of the Douro Valley. This evening is the Captain's Dinner, a truly memorable experience featuring exquisite regional specialties, followed by a colorful performance of traditional Portuguese folk music.

synonymous with wonderful Port wine, so a visit would not be complete without a tour to one of the famous Port producers. Port is made from grapes still pressed in the traditional way – by feet – then lovingly matured, sometimes for decades, before you can enjoy its subtle flavors. We'll learn of this time-honored tradition and have an opportunity to sample various port styles at the end of our visit. After lunch on board, the remainder of the day is at leisure to explore the Ribeira, the riverside quarter that is home to narrow, twisting streets and arcades lined with outdoor markets.

**Thursday, April 14 – CRUISING (Porto) (B,L,D)**

Today we return to Porto, where the city's splendid geographical location at the mouth of the Douro River has led to an architectural heritage of exceptional quality. Porto is
