Day by Day Itinerary

Thursday, March 7 – CHICAGO / EN ROUTE (I)

We depart Chicago's O'Hare International Airport this afternoon by scheduled service of Swiss International Air Lines on the overnight transatlantic flight to Zurich, Switzerland.

Friday, March 8 – ZURICH / FLORENCE (I,HD)

As the sun begins to rise on the Swiss Alps, we arrive in Zurich and change planes for the connecting flight to Florence, Italy. On arrival, we'll meet our Italian Tour Manager who will accompany us throughout our vacation. Leaving the airport, we'll set our sights on the city of Florence. Julius Caesar founded the colony of Florentia in the 1st century on the north bank of the Arno. Today the city occupies both banks of the Arno River and is famous for its art treasures and glorious history.

Saturday, March 9 – FLORENCE (B)

Our day will begin with an introduction to Florence, starting with a visit to the Galleria dell'Accademia to see Michelangelo's statue of David, a colossal nude of the biblical hero who killed the giant Goliath. Afterward, we'll explore the heart of the city beginning with a visit to the magnificent Cathedral adorned with green, red and white marble, and see the nearby Baptistery with its famous bronze doors, most notably the Gate to Paradise. From here, we'll wander along the Via dei Calzaiuoli to see the Piazza della Signoria with its wonderful backdrop formed by the Old Palace's powerful presence, before ending with a visit to the unforgettable Ponte Vecchio, the oldest surviving bridge in the city, built in 1345. Originally the domain of blacksmiths and butchers, today the Ponte Vecchio is home to visitors that come to admire the views as well as to browse among the antique and jewelry shops. Following our tour, the remainder of the day is free to explore Florence at your leisure.

Sunday, March 10 – FLORENCE (Tuscany) (B,RD)

A delightful day on tour awaits us as we prepare to experience Tuscany, a region of low lying hills with clean graceful curves, complete with plains, forests, and vineyards joined by the serenity of cypress and pine. Our travels will take us to the most remarkable of all the Tuscan hill towns, San Gimignano, a virtually untouched medieval city-state where time seems to have stood still since the Middle Ages. Comprised of 14 towers, some over 165 feet high, a walk will take us through the tiny cobblestone streets to the Piazza del Duomo where the Collegiate Church and seven towers of nobility line the majestic square. This timeless location is also home to the famous Piazza della Cisterna, named for the bricks laid in a herringbone pattern. On our return to Florence, we'll immerse ourselves in a traditional Tuscan lifestyle setting with a visit to a family owned farm. We'll enjoy the simple, friendly and sincere hospitality, accompanied by a traditional dinner with a menu of fresh local products and a breathtaking view.

Monday, March 11 – FLORENCE (Venice) (B)

Today we embark on a rail journey to Venice. As we'll soon

find out, Venice is singular among the world's cities, situated on a broad lagoon and built over a sprawling archipelago of little islands, separated by more than 150 canals and 400 bridges.

We'll see the Statue of Vittorio Emanuele II, the first king of a united Italy, and pass by the Hotel Danieli, a 19th century haunt for writers and artists alike, before reaching the Ponte della Paglia. Also known as the "Straw Bridge", it is here where we'll find the best views of the neighboring Bridge of Sighs, the covered bridge that links the Doge's Palace to the old prisons from where Casanova was said to have made his fantastic escape. Our walking tour will continue into the Piazza San Marco, a great marble saloon with covered galleries, famous cafes and luxury shops. Here we'll see the Campanile, a 325-foot-high bell tower that provides an unforgettable view of Venice, and visit the remarkable Basilica San Marco. We'll also learn of the folklore and history that accompanies the arcades of the Procuraties and the countless festivities and pageants throughout the long history of the Piazza San Marco. Following our tour, the afternoon is free to enjoy a gondola ride through the fascinating canals or to simply remain in St. Mark's Square and relax with the music of Venice before our return to Florence.

Tuesday, March 12 – FLORENCE (B)

The day is at leisure in Florence, a surprisingly compact area where many sights can be easily reached on foot. Walking the streets of Florence is like taking a voyage back in time. Artists, poets, philosophers and politicians flourished here, including Michelangelo, Leonardo da Vinci and Machiavelli. Not too be missed is a visit to the Uffizi, Italy's greatest art gallery. Nearby, in the streets of Oltrarno you'll find the equally interesting Palazzo Pitti with its adjacent Boboli Gardens. If you're looking for an unforgettable view of the city, climb the steps of the Duomo or the Campanile, and the shoppers in our group will find that Florence is a paradise.

Wednesday, March 13 – FLORENCE / ROME (B) **(Ostia Antica)**

Today we depart Florence and travel to the seaside town of Ostia where we'll visit the ruins of Ostia Antica. Buried for centuries by sand, Ostia Antica is remarkably well preserved, and provides a window into the everyday life that went on in a town of the Roman Empire. We'll enter the ancient city through the gate of Porta Romana from where we'll explore the remains of the docks, warehouses, apartment flats, mansions, shopping arcades, and baths that served this once-thriving port of 60,000 people. A walking tour will take us along the Decumanus Maximus and include a visit to the Baths of Neptune, named after their fine black and white floor mosaics, and the House of Diana, one of the more elegant three and four story apartment complexes where the lower middle-class lived. Our tour will end in the Forum, Ostia Antica's main square that is home to the Capitulum, the Temple of Roma and Augustus, and the Basilica. Afterward, we'll have an opportunity to visit the Ostia Museum, offering

a look at some of Ostia's finest statuary. Then we'll set our sights on Rome, the "Eternal City" of the West and capital of the Republic of Italy. Rome rises from both banks of the Tiber River on the slopes of seven hills from where its mighty ruins and superb art have attracted the world's people for centuries.

Thursday, March 14 – ROME (Monumental Rome) (B)

Our introduction to Rome will begin with a visit to the famous Colosseum, a masterpiece of classical architecture where fights between men and beasts, gladiatorial contests, races and simulated naval battles took place. Then we're headed to the world-famous Trevi Fountain where King Neptune's Tritons guard the sparkling waters of Rome's most beloved monument. Toss a coin in the fountain and you'll ensure your return to the Eternal City. We'll also visit the majestic Pantheon, dedicated to "all the Gods" as a celebration of celestial order, and Piazza Navona with Bernini's most famous Fountain of the Four Rivers. No other piazza in Rome can rival the theatricality of the Piazza Navona, and with its luxurious cafes, this is the perfect spot for an afternoon luncheon. Following our tour, the afternoon is at leisure. While Rome entices with its extraordinary monuments, Trastevere, one of its many distinct neighborhoods, captures the traveler's heart. Trastevere, which translates literally to "across the Tiber," was once considered the outskirts of Rome. Allowed to develop its own flavor and now part of il centro storico, it's the perfect place to glimpse a bit of the old world while still enjoying the lifestyle of today's Romans.

Friday, March 15 – ROME (Vatican Museums & St. Peter's)

(B,RD)

Our day will begin with a visit to the Vatican Museums, where four centuries of papal patronage and connoisseurship have resulted in one of the world's great collections of Classical and Renaissance art. The Vatican's greatest treasures are its Greek and Roman antiquities highlighted by the Raphael Rooms and the Sistine Chapel where you'll find masterpieces by Botticelli, Signorelli, Perugino, and above all the Genesis and Last Judgment by Michelangelo Buonarroti. Afterward, we'll make our way to St. Peter's Square, as dramatic an entrance as you'll see anywhere! The embracing arms of Bernini's colonnades will then draw us into St. Peter's Basilica, the center of the Roman Catholic faith. Although you may see hundreds of elaborate and priceless works of art in St. Peter's, none is as moving as the sorrowful Pieta, Michelangelo's masterpiece in white marble. At the completion of our tour, the afternoon is at leisure. Be sure to stroll down the Via dei Condotti lined with its elegant shops, and visit the Piazza Di Spagna dominated by the majestic Spanish Steps. Afterward, climb the stairs to Viale Trinita Dei Monti for the view and then follow the Villa Borghese walls to the top of the fashionable Via Veneto, one of the best-known streets in the city, which descends in a lazy curve from the Porto Pinciana to Piazza Barberini, and enjoy a cappuccino at one of the famous outdoor cafes.

Saturday, March 16 – ROME / CHICAGO (B,I)

This morning we say 'arrivederci' to Rome and travel to Leonardo Da Vinci Airport in preparation for the return journey home. No better time to reflect on memories of our *Italy's Florence & Rome* vacation that will last a lifetime and new friendships made along the way.
