

## Northern Illinois University Fast Facts

- **Recognized by the Brookings Institution** as the top-ranking Illinois public university in terms of upward mobility outcomes coupled with high research opportunities.
- **Commitment to affordability:** NIU has held tuition flat for the past four academic years, offers the most affordable law school education in the state and awards more than \$20 million in institutional aid to students each year. This institutional aid amount is anticipated to increase by \$5 million in FY20 as a result of the AIM High program's implementation.
- Among a small percentage of public institutions designated as **Innovation and Economic Prosperity Universities** by the Association of Public and Land-grant Universities (APLU) — acknowledging NIU as a university working with public and private sector partners to support economic development.
- The most recent economic impact study conducted shows NIU's impact on its region is **\$583 million annually**, which is seven times the university's state appropriation.

## Northern Illinois University Fast Facts

- **Recognized by the Brookings Institution** as the top-ranking Illinois public university in terms of upward mobility outcomes coupled with high research opportunities.
- **Commitment to affordability:** NIU has held tuition flat for the past four academic years, offers the most affordable law school education in the state and awards more than \$20 million in institutional aid to students each year. This institutional aid amount is anticipated to increase by \$5 million in FY20 as a result of the AIM High program's implementation.
- Among a small percentage of public institutions designated as **Innovation and Economic Prosperity Universities** by the Association of Public and Land-grant Universities (APLU) — acknowledging NIU as a university working with public and private sector partners to support economic development.
- The most recent economic impact study conducted shows NIU's impact on its region is **\$583 million annually**, which is seven times the university's state appropriation.
